### **Blossoms, Butterflies and Bees**

The 164th Bayfield Agricultural Fair is coming this summer. On behalf of the Board of Directors, Convenors, Members and Volunteers we are looking forward to welcoming the local community and Fair goers from far and wide. In keeping with our Agricultural Roots, the theme: "Blossoms, Butterflies and Bees" is an exciting and timely theme, given how the care of our environment is directly related to our current and future food supply. During the Fair weekend there will be informative speakers, demonstrations, educational displays and takeaway resources. Of course, in addition to our Theme Events this year, we will also continue with our in-door/out-door competitions, 4-H shows, horse events, children's events, parade, musical entertainment and other fun events for children and adults that our Fair is known for.

We welcome and thank all our sponsors, supporters and the many volunteers who work diligently throughout the year to make this Fair a great one. All of these hard working individuals are to be applauded for the many hours of hard work they contribute, ensuring the Bayfield Agricultural Society and the Bayfield Fair is a continued success in the local and rural communities.

See You At The Fair.
