PRESIDENTS' MESSAGES

Harvesting Memories, Planting the Future

The 165th Bayfield Agricultural Fair will be celebrated in the "new way" of community projects and events. In spite of the long time that we have been waiting and hoping for getting back to "normal", we have all learned that patience is the most important of all necessary virtues; and, there is no doubt that everyone wants to return to happier days.

This year's fair represents a look to our past memories and a careful, hopeful peek at what the future may bring. While there will be obvious differences, there will be a fireworks opening evening celebration. Senator Rob Black has agreed to opening day attendance. There will be a combination of virtual competitive exhibits and some drive through or controlled entry events with animals and people in the safest venues possible.

Over the past 165 years, there have been other major catastrophic events, and yet, here we still are! The Board of Directors welcomes all of our old and new friends to continue to be our present and future participants, members and sponsors.

Let's all find the road to "Planting the Future", respecting the endurance of so many good memories. Now we look forward to creating new ones.

Stay safe and enjoy the fair,

Pamela Stanley, Fair President

Welcome to our 165th Bayfield Fair. Think of the many changes with "Harvesting Memories, Planting the Future" this year.

Our fair will be different depending on the pandemic.

A big "thank you" to our dedicated volunteers.

Take a walk down memory lane of over 165 years. What changes have there been in growing your food?

Enter crafts, baking, and displays. Greet old and new friends. Enjoy the events.

See you at the fair.

Jean Dunn, Homecraft President
