Presidents' Messages

Blossoms, Butterflies & Bees

Excitement is in the air with the return of the in-person Bayfield Community Fair.

On behalf of the Board of Directors, Convenors, Society Members and Volunteers, we welcome you to enjoy all that is being offered at the fair. "Blossoms, Butterflies and Bees" is the theme for this year's fair. Please enjoy the fireworks on Friday evening, the Midway and the parade on Saturday as well as the many unique events, activities, competitions, demonstrations, vendors and educational displays offered for your pleasure.

We welcome and thank all our supporters and volunteers who have so freely offered their time and expertise to ensure a fantastic experience for you.

I look forward to meeting you at the Fair.

Vicky Culbert, Fair President

Fair time is the happy summer event that brings folks together to celebrate our creativeness, competitiveness and community spirit. This 166th year of the Bayfield Community Fair is highlighting local agriculture and produce, especially regarding Mother Nature's gifts of "Blossoms, Butterflies and Bees". The opportunities for all ages to enter art and photography, baking and canning, flowers and plants, fruits and vegetables, as well as handcrafted quilting, sewing, knitting, crocheting, woodworking, are the very essence of the indoor Homecraft show.

This year we are adding "sweet" new categories for maple syrup and honey displays, and we are committed to keep adding more new products as they become a part of our local farm business activities.

Please join us at the Fair to explore indoor and outdoor learning adventures!

Pamela Stanley, Homecraft President

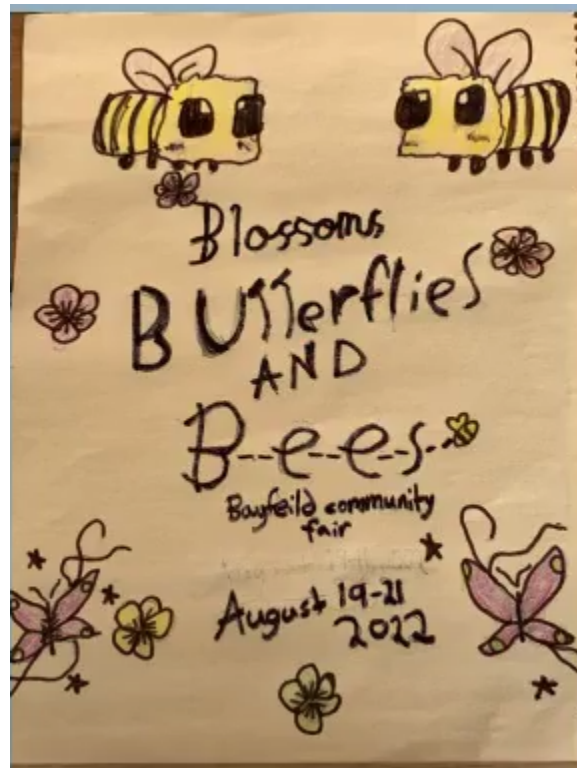

The theme for next year's fair is

"A Tractor Life For Me in 2023"
